

PLAYHOUSE PLAYDOUGH RECIPE

4 cups flour
1 cup salt
2 tablespoons cream of tarter
1 tablespoon oil (any kind)
4 cups water
(food coloring)
(cinnamon or lemon extract, etc)

Mix all the dry ingredients together in a large pan. Then add the water and oil. If the dough is to be one color, add the food coloring to the water. Mix well. Then cook over a medium burner, stirring constantly, until the mixture changes texture and forms into a ball. This will take up to 15 minutes. Turn out and allow to cool. May divide and knead in colors now if desired. It will keep for several weeks if stored in an air-tight container.
